

## **Directions to Oakbank Cottage**

**Oakbank Cottage  
School Lane  
Longhope  
Gloucestershire  
GL17 0LJ**

### **If you are coming from the M5 keep following all signs to Ross-on-Wye (A40)**

#### **From Gloucester**

Come out of Gloucester on A40 (approx. 6 miles). Please ignore the sign for Longhope at Huntley, keep going towards Ross-on-Wye for another two miles until you see a sign saying "Box Bush" (just after you go under a railway bridge). The road will bend around to the right but you need to take the left turn on the bend into the village of Longhope.

Keep going for 1/3 mile until you see the church on your left. There is only one turning opposite the wooden church gate. Turn right into School Lane. Go up approx. 100 yards and the cottage is up on a bank on your right. It is the second of two houses with big wooden porches. The drive is just beyond the cottage and you can then park in front of the garage (room for at least two cars) or at the back allowing access for other cars in adjoining properties to get past.

#### **From Ross-on-Wye**

Keep going on A40 towards Gloucester. You will come through the Lea Village, then after a mile or so you will see a pub called the Farmer's Boy on your left. Keep on the A40 for another 1.1 miles until the road bends right around to left. There is a contraflow on the bend into the village of Longhope, a right hand turn.
